

JABIL MANAUS

RELIABLE EXECUTION AND
DELIVERY

Located on the Amazon River, Manaus is Brazil's only recognized industrial free trade zone. The Federal government provides special tax benefits for specific consumer products like TVs, audio systems and motorbikes.

Operating in such an isolated, tropical location far from the main market creates many challenges. The Jabil Manaus team has been successfully facing these challenges and delivering high quality products predictably for our customers for more than 12 years.
